PRODUCT HIGHLIGHTS

Best of Both Worlds in Store for You
With Satellite Pro L40, you no longer have to choose between more speed or storage. Boasting a dual storage support, the Dynabook Satellite Pro L40 allows you to enjoy faster boot-ups with a SSD (PCIe128GB to 512GB) and large storage space with a SATA HDD (up to 1TB).

Efficiency and Comfort at Your Fingertips
Fitted with an anti-glare screen that is well-suited for working under any lighting conditions and a comprehensive suite of ports (2 x USB 3.0, 1 x USB 3.1 Type-C™, HDMI-out, Gigabit-LAN, headphone/microphone combo, microSD card reader), the Satellite Pro L40 performs in any business situation – everything a working professional needs while on-the-move.

Designed to be a Hardy One
The Satellite Pro L40 is well-protected with our EasyGuard™ technology such as a spill-resistant keyboard and shock absorbing technology – all done to give you a peace of mind as you work.
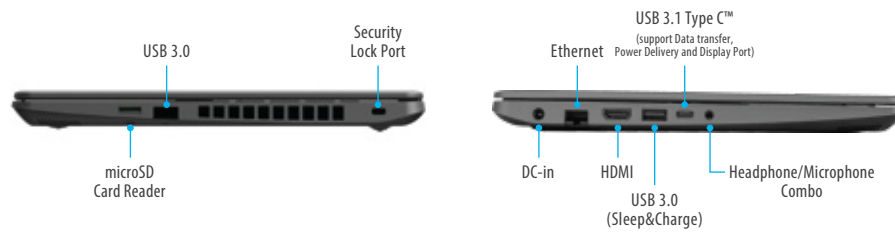

Safeguard against Cyber Threats
Your business data enjoys enterprise-level security with Satellite Pro L40's Firmware Trusted Platform Module (TPM) and webcam slider. Consider our Fingerprint Reader or Smart Card Reader for an extra layer of protection.

intel CORE i7 10TH GEN

Windows 10

^Optional, depending on configuration.
